

LE 14

SHIRAZ VIOGNIER AUSTRALIA

AVAILABLE JANUARY, 2015

REGION

Riverland, South Australia

This sun-kissed agricultural haven of South Australia boasts ripe examples of Shiraz and Viognier. The cool waters of the Murray River act as an irrigator for this declared reserve, which lies about 225 km north east of Adelaide.

WINE

This Northern Rhône-inspired blend takes the spicy, strong and tannic red grape Shiraz and softens its edge with the voluptuous white grape Viognier. These wines are a beautiful marriage of black cherry, smoky plum, black pepper from the Shiraz and hints of exotic jasmine flower, ripe apricot and juicy peach from the Viognier.

Enjoy this full-bodied wine with grilled lamb stuffed with an apricot-mint stuffing or barbecued ribs coated with a sticky sauce. If meat is not on the horizon, then try dishes such as grilled vegetable kebabs or portobello mushroom burgers.

FEATURED RECIPE:

Beef & Mushroom Cottage Pies
