

LE 15

Fourtitude

AVAILABLE APRIL 2016

REGION

RIVERLAND, AUSTRALIA

Woven around the Murray River, the Riverland is a beautiful region of South Australia, located about 2½ hours north east of Adelaide. Blessed with vast open spaces, the region enjoys a consistent Mediterranean climate with long days of sunshine. The result of this agricultural haven is sun-kissed, vibrantly ripened grapes.

WINE

This powerful blend of Cabernet Sauvignon, Cabernet Franc, Malbec and Merlot showcases the quality and richness of the grapes from southern Australia. Crimson-purple in the glass, Fourtitude has aromas of blackcurrant, cedar and spice. Intense, mouth filling flavours of blackcurrant, plum, cherry and spice blend seamlessly to a long dry finish.
