

NOCTURNAL

THE REGION:

Blends reign supreme in Languedoc, a large coastal wine region in the south of France which stretches from the Rhône valley in the east to the Spanish border in the south west.

A wide variety of grapes grow well in the exquisite Mediterranean climate and fertile soil.

THE WINE:

Nocturnal is a classic blend with an unusual moonlit twist. The grapes were plucked from the vines in the cool of the night when sugar levels are more stable and acid levels are better.

This results in a wine with richer flavour and aromatics.

Grenache, Syrah, Mourvèdre and Cinsault deliver complex spicy aromas with fruity plum and black raspberry on the palate, balanced with earthy woodsmoke. The full body and lush tannins make the finish just long enough to savour all the nuances in this gorgeous wine.

FOOD PAIRING:

Try gourmet burgers to complement the smoky flavours in the wine or serve with a Cassoulet to match the Nocturnal's southern France origins. A well-marbled cut of red meat makes for a more upscale pairing, but don't forget the candlelight.
